SILVER SUNDAY

A national day of fun, free events and activities for older people: bringing people together and changing the story around loneliness in the UK
Dear Friends,

Welcome to Silver Sunday!

Come and join us in a national day of celebration of older people on the first Sunday in October. Silver Sunday is a special day in the national calendar when everyone can come together to celebrate older people. Our ambition has always been to create a day in the nation’s hearts where older people feel valued and are given new opportunities to get out of the house, keep their minds and bodies active, learn new skills, make new friends and connect with the communities and generations around them.

Now in its eighth year, Silver Sunday is growing phenomenally thanks to the community of people who host activities and events for older people near them. In 2018 we had around 1,000 events across the UK with around 50,000 older people participating in events as varied as walking football, art classes, tea parties, dances, tai chi, boat rides and cultural experiences. There is no such thing as a ‘typical’ Silver Sunday event with activities as diverse and welcoming as our older population.

It is a privilege to be a part of these events and see older people thriving and connecting with people around them. We are very grateful to the many partners who host activities year on year and welcome anyone who wishes to take part for the first time with many resources, templates and ideas on our website free for hosts to use.

Help us change the story around loneliness in older people again this year on Sunday 6th October!

With much gratitude to you all,

Lady Christabel Flight

“A regular guest told us that she always looked forward to receiving our invitation. A first time guest told us with tears in her eyes that she had not realised how lonely she was” - Silver Sunday Host, 2018
**WHAT IS SILVER SUNDAY?**

Silver Sunday is a national day of free, fun events and activities for older people: bringing people together and changing the story around loneliness in the UK.

The campaign was launched by the Sir Simon Milton Foundation in Westminster in 2012 to help overcome loneliness and social isolation amongst older people and has grown year-on year reaching around 50,000 older people in 2018.

**WHEN IS SILVER SUNDAY?**

Silver Sunday always falls on the first Sunday in every October and we welcome events on the days surrounding this too.

**Sunday 6th October 2019**

**WHO IS SILVER SUNDAY FOR?**

ANYONE AND EVERYONE!

Silver Sunday events are all designed to welcome our older population and whilst some hosts stipulate age requirements of 50+ many are open to guests of all ages to encourage inter-generational enjoyment.

**WHERE IS SILVER SUNDAY?**

We are delighted every year to reach more and more people across the UK. Our events happen in faith halls, care homes, pubs, galleries, libraries, fire stations, parks, river banks, sports grounds, homes - the list is endless!

**WHY IS SILVER SUNDAY SO IMPORTANT?**

Our older population is growing and so are the figures around loneliness with a nearly 50% rise in the 50+ age group in the next ten years. ¹

Silver Sunday connects older people with opportunities, organisations, services and people around them - and importantly it encourages wider society to reflect and reconnect with neighbours, family members and organisations where they too can help and benefit from the richness of a cohesive society.

OUR VISION

Our vision is of a society where older people thrive and loneliness and isolation are just a memory. Our goal is to establish Silver Sunday in the nation’s consciousness as a day when we celebrate the contribution older people have made to their communities. We will really achieve success when it ranks alongside Father’s Day and Mother’s Day in the national calendar.

AIMS OF SILVER SUNDAY

1. TACKLE LONELINESS
   To reach isolated, vulnerable older people through activities and events which celebrate the contribution of older people and help connect them with other people and services.

2. INCREASE AWARENESS
   To use Silver Sunday to increase the awareness of elderly isolation and celebrate the knowledge and contribution of older people.

3. BUILD COMMUNITY CONNECTIONS
   To develop a partnership model across the country where charities, local authorities and businesses work together to support communities.

4. ENCOURAGE INTER-GENERATIONAL RELATIONSHIPS
   To make Silver Sunday inter-generational, with participation from schools and youth movements.

5. CHALLENGE MINDSETS
   To establish Silver Sunday as a national day on a par with Father’s Day and Mothering Sunday.
WHY IS SILVER SUNDAY SO IMPORTANT?

There is a growing realisation that loneliness is a serious issue, which has far reaching implications, not just for individuals, but also for wider communities. Its effects are devastating and costly with comparable health impacts to smoking and obesity.¹

Whilst loneliness can strike at any age, older people are at greater risk. Taking action to address loneliness can reduce the need for health and care services in future.

75% of older people in the UK are lonely

2/5 of all older people say the television is their main company

56% said they had never spoken about their loneliness to anyone

Lacking social connections is as damaging to our health as smoking 15 cigarettes a day

Lonely people have a 64% increased chance of developing clinical dementia

Loneliness increases the likelihood of mortality by 26%

OUR SUPPORTERS

“Silver Sunday is a special day for older people to get involved in community events and activities to bring back some of the traditional community spirit. It’s also a small thank you for your contribution to society.”

Joanna Lumley, Actress, author & activist

“Many people believe that these days growing older is something that should be celebrated. Silver Sunday certainly encourages the enjoyment side of getting out and about and meeting new people... and that is what we hope is achieved by Silver Sunday – a little encouragement to make the most of life.”

Gloria Hunniford, TV and radio presenter

“I feel really energised. It's really important to connect older people to the community because otherwise we'd be missing out on a huge amount of fun and wisdom. What Silver Sunday is doing is vital in stepping into a void and filling it up. The scope is endless.”

<tbody>
<tr>
<td>Does my Silver Sunday event have to be on 6th October?</td>
<td>No, we welcome events all around the day and often people are very grateful to attend multiple events near to them. Choose dates which best suit you and your audience.</td>
</tr>
<tr>
<td>Is Silver Sunday the same as Older People’s Day and Grandparent’s Day?</td>
<td>We like to celebrate all older people, not just those in our families. The United Nation’s Day of Older Persons (1st October) is an international awareness day which aims to highlight issues affecting the elderly such as elder abuse. We founded Silver Sunday in 2012 to bring companies, organisation and individuals around the UK to organise uplifting and inspiring events and activities.</td>
</tr>
<tr>
<td>We already have events planned for October – can we register them on your website?</td>
<td>Yes please! In return we ask that you mention Silver Sunday and use our logo in your marketing materials. Silver Sunday is also a hub for connecting people with existing services and activities in their local area. Silver Sunday is also a very popular ‘theme’ for social events or programmes adding a special celebratory twist.</td>
</tr>
<tr>
<td>Can I put my own spin on Silver Sunday?</td>
<td>Yes! Just look at #SilverSundayUK and our Event Galleries on our website – all Silver Sunday events are so very different which is why they are so special to attend!</td>
</tr>
<tr>
<td>Can we charge guests for tickets?</td>
<td>The vast majority of our events are free as a way of giving back to older people in their area. Occasionally we are happy for organisers to ask for a small donation to cover running costs.</td>
</tr>
<tr>
<td>Can you help with funding?</td>
<td>We cannot currently help with funding. We advise organisers to contact their local councils or search online for local groups who may be able to help with money and volunteers.</td>
</tr>
<tr>
<td>Do we need insurance?</td>
<td>We advise all organisers to check they have public liability insurance before running an event to protect you if members of the public suffer personal injury or property damage.</td>
