

SILVER SUNDAY

THE NATIONAL DAY FOR OLDER PEOPLE - 3 OCTOBER 2021

A GUIDE FOR RESIDENTIAL LIVING & CARE HOMES

If you can, try to create an event or activity which welcomes your older residents' friends and families, as well as other local people of all generations (this could be either in-person if allowed, socially-distanced, or virtually.) Silver Sunday events come in all shapes and sizes. It could be a larger-scale event which runs across multiple homes, or a morning/afternoon of activities on one site or in one home.

1. SET YOUR GOALS

Think about what you want to achieve as part of a national programme of events. Can you safely include families and friends? Who else from your homes' local communities do you want to invite? How can you involve other generations?

2. PLAN YOUR PARTNERSHIPS

Can you invite local entertainers, activity coordinators (artists, dance teachers)? Can you invite your local school, Scout or Guiding group or a local politician or celebrity? How can local businesses such as hospitality, catering, lawyers support?

3. CREATE COMMUNICATIONS & ENGAGEMENT

Use our toolkit, logo & templates from our [Resources](#) page plus ideas for social media & press releases. Register your events on our website so they're on our Event Map.

4. PLAN FINER DETAILS

Can you create a full calendar with a variety of activities catering to the mobility, ability and interests of your residents? What booking systems will you use, if any? Are all generations welcome?

5. CREATE A LONG LASTING LEGACY

Can this be the start of an ongoing partnership with local entertainers/ event organisers as well as businesses, schools, Scout or Guiding groups?
